March

2005

We've just finished summer and now anticipate the beautiful autumn weather of Melbourne! Let's rejoice in the beauty of God's creation. Soon there will be colorful leaves to make the gardens and streets so attractive. The flowers are lovely too. Maybe you could watch the animals and birds as they prepare for winter.

Our courses

Courses at the Bible Education Centre are going well, with many topics from the Bible being discussed. Those attending are enjoying the information, the discussion and the socializing over a cup of tea or coffee. If you have missed out so far, don't worry. You can often join a class at any time, but you may prefer to wait until second term, and attend from the start of a new round of courses. We are sure there will be a Bible-based course to suit your needs – just ring the shop if you're not sure what courses are available.

New Life Class

Each week, we have a discussion class for adults and Secondary School students on a variety of topics related to the Bible. Visitors are always welcome to the class, which runs from 11.30am-12.30pm each Sunday. You are very welcome to stay for lunch afterwards. The following program is planned for the coming months, God willing:

March	6	Our future – the return of Jesus Christ
	13	<i>No class</i>
	20	Our future – the kingdom of God
	27	What does the Bible tell us about God?
April	3	Jesus, the son of God
	10	<i>No class</i>
	17	The Holy Spirit
	24	Angels and messengers of God
May	1	Does it matter what I believe?
	8	The devil and sin
	15	Demons, spirits and ghosts

Easter service

At Easter we remember the time when Jesus Christ was crucified and raised to life again. On Friday 25th March we are planning (God willing) to hold an Easter service at the Dandenong Bible Education Centre at 10am. See our flyer for more details.

Correspondence course

Would you like to study the Bible at home? We have a 14-part correspondence course covering many Bible topics. After every second lesson there are some questions on the lessons you have completed. We will write back to you when you send in your answers. This course emphasizes using the Bible to find out about God and his plan for this world.
