The Gospel in a Day

Sunday September 5

10am – 4pm

Have you ever wondered why there are four Gospels? Come and join us as we look in depth at some of the characteristics of the Gospels.

In this one day course, which includes lunch, we will look at Jesus’ tours throughout Israel and his ministry.

We will consider Jesus’ preaching style, looking at his use of parables - with a particular focus on the kingdom of God and the hope this continues to provide for us today.

Join us in searching the scriptures together as we see their consistency, though written by many different authors. See how and why Jesus quotes the Old Testament.

Finally we will consider the death and resurrection of Jesus, and the wonderful hope this provides for you today.

Children’s activities will be provided throughout the day. Be sure to book in to ensure your spot in this fantastic course where we will discover the Gospels in a day!

Please book in for this course using the contact details at the foot of this page.
