Maps of Bible lands

Bible lands today.

The following maps show some of the places mentioned in the Bible. Add more as you find out where they were.

This map shows Israel during the period of the kings. Note that Israel was split into two countries (known as Israel and Judah) during most of this period.

This map shows Israel at the time of Jesus. As you read the Gospels, find on the map the places where Jesus went. Also read what he did and said in each place.

This map shows some of the places Paul visited on his journeys, and the places where his letters were sent. Can you match the letters with the names on the map?
